

# समाजवादी वचन पत्र

## सत्य वचन • अटूट वादा

# सेवा में निहित ... सर्व समाज का हित

ताकि हक़ से आगे बढ़ सके हर कमज़ोर, ग़रीब  
दलित, वंचित, पीड़ित, शोषित

इसी सेवाभाव के साथ उत्तर प्रदेश की जनता के सामने अपना वचन पत्र रख रहे हैं। आज जनता को समर्पित ये हर एक वचन, कल उत्तर प्रदेश के विकास में परवर्तित होगा। वचन निभाना हमारी परिपाटी है, इसी लीक को लेकर आगे बढ़ेंगे, 2022 में फिर एक नया हस्ताक्षर होगा जो उत्तर प्रदेश के विकास के एक नए अध्याय की भूमिका लिखेगा।

आपका,

मुलायम सिंह यादव

# AGRICULTURE & RURAL DEVELOPMENT

- Samajwadi Party government will present a dedicated budget for Agriculture & Rural development

## 'PROFITABLE SUSTAINABLE PRICE' OR MINIMUM SUPPORT PRICE

- **'MSP for all crops including milk to all farmers'** in Uttar Pradesh calculated as per Swaminathan formula of  $C2 + 50\%$ . MSP as a price discovery mechanism with intervention by the state government so as to ensure a regime in which no buyer public or private would be able to buy below the MSP from the farmers.
- In case of some notified crops, like potato a price compensation mechanism supported by the state would also be set up.

## RURAL DEVELOPMENT

### RURAL INFRASTRUCTURE FUND & CREDIT

- **'Rural economy and infrastructure'** to be a priority sector for investment. Three times the current budget or minimum 15% of annual budget of Uttar Pradesh amounting to about 1 Lakh crores, to be allocated for the same.
- **'UP Rural infrastructure fund'** This would help plan and give directions for the implementation of Agri & Rural development schemes.
- **'Farmers/Rural Micro Finance Bank'** to be incorporated so as to provide affordable,

collateral free loans to **landless farmers/small farmers and village artisans and craftsmen**. The bank shall also have a Credit Guarantee Fund to improve banks' confidence in extending credit to tenant farmers.

- **'Warehouse receipt system'** to make warehouse & cold storage deposit receipts a tradeable and bankable instrument to prevent any distress sale by farmers.
  - **'Agricultural Debt Relief Act.'** A comprehensive Agricultural Debt Relief Act would be enacted so that we do not need to periodically resort to loan waivers. A Farmers Commission would be established under the Act, which would identify **'Distressed Areas'** and **'Distressed Crops'** in every season, and recommend concrete measures to provide debt relief for the distressed farmers. This would extend to not only bank loans but also to private loans. Measures would include options such as rescheduling of loans with 0% interest, restriction on interest, partial/ complete waiver of loans in extreme situations. Institutional Credit would be guaranteed to all real cultivators under this Act. Debt-Swap schemes would be implemented at a large scale to convert private loans into bank loans. Under this act farmers are to be viewed as Micro-entrepreneurs with limited liability and bankruptcy protection.
  - **'A farmers commission will be set up to ensure that all farmers in Uttar Pradesh are made debt free in four years by 2025'**
- AGRICULTURAL PRODUCE MARKETING COMMITTEE (APMC)**
- **'Farmer markets network'** to be expanded so that we have one within every 10 km.
  - **'Strengthening of the APMC'** by investing in high technology based grading, moisture measurement & weighing systems.

- Adequate storage facilities/cold rooms to be created in the Mandis along with warehouse receipts scheme being fully operational, so that small farmers have the option of not selling if the price being offered is not sufficient.
- **'Central Facilitation Centre'** to be set up next to all Mandis.
- **'Kisan bazars'** to be set up in all districts enabling the farmers to sell their produce directly to the consumers.
- **'20 Kisan Sahyog Samuh (FPO) to be set up in every district' i.e. 1500 across the state of UP.**
- The above is the best option to address the issue of 'economies of scale' and strengthen bargaining power of the farmers.
- **'Farm cooperatives'** to be revived, strengthened & made free from political interference and corruption.

## RURAL INFRASTRUCTURE, WAREHOUSING, COLD CHAIN, FOOD PROCESSING & EXPORTS

- **'Warehouses and cold storage network & post harvest management infrastructure'** will be incentivized under the PPP model.
- **'Food-processing cluster'** specific to the local crops to be established in all mandal towns.
- **'Export oriented food processing clusters'** to be set up in 5 major agro – climatic zones of Uttar Pradesh.

- **'Cooperative structure'** will be set up for ensuring availability of appropriately priced seeds, fertilizers and pesticides with strict quality control norms.
- **'Potato export zone'** to be setup in Kannauj with an Inland container depot.
- **'Cycle highway model'** for building village roads to be emulated and expanded across the state.
- **'Free electricity for farm irrigation'**
- **'Up to 300 units of electricity to be made free for rural household consumers.'**
- **'Electricity tariffs for cold storages/cold chains and food processing units'** established in rural areas to be rationalised.
- **'Agriculture waste & Solid waste to power generation units'** will be setup in village clusters so that the farmers can avoid burning paddy/wheat stocks that causes air pollution, dispose solid waste and the power generated will be free for the cluster community.

### SMART VILLAGE CLUSTERS

- **'Smart village clusters'** will be established across the state through a special purpose vehicle called the **'Smart Village Cluster Development Authority'**. These clusters shall be based on large - scale data mapping and Artificial Intelligence based projections. Each cluster will have localized but sustainable technology based solutions for developing the following:
- **Infrastructure – roads, waste management, alternate power grid, green tech low cost housing, water conservation.**

- **Education&Healthcare**

- **Agriculture**

- **Capacity building, skill development & local employment.**

- **Micro enterprise**

- **E – Governance at village level with incentivization of CSCs.**

- **Lohiyaawasyojna&Janeshwar Mishra gram yojna to be revived and integrated into the smart village projects."**

- **Banjara& Snake charmer villages to be identified and developed.**

- **IRRIGATION& FARM PROTECTION**

- **'Irrigation footprint' through canal & tube well network** in the state to be made 100%.

- **'Tail end availability'** of water in canals to be ensured.

- **'Canal roads to be up-graded'** for the benefit of the villagers.

- **'Water conservation'** schemes for reviving underground water sources and traditional ponds, wetlands and streams to be implemented. We shall endeavor to eliminate **'Dark blocks'** for underground water.

- **'Efficient drip, sprinkler irrigation'** to be incentivized over water inefficient flood irrigation practices.

#### **DAIRY, POULTRY & FISHERIES**

- **'Kamdhenu scheme'** will be reintroduced for dairy.

- **'Scheme for chilling plant capacity up – gradation.'**

- **'Animal ambulance and mobile veterinary services'** to be implemented
- **'Micro & Small Poultry & Fisheries projects'** to receive special incentives.

### INNOVATION & TECHNOLOGY

- **'Rural agriculture Hubs'** enabled by high technology inputs, research, testing & training infrastructure will be set up in major agricultural zones of the state and shall become the nodal agency for driving the farm extension services.
- These Hubs shall also integrate Artificial Intelligence (AI) with agricultural crop planning, plantation, demand and price forecasting, production assessment, and disaster prevention and management.
- **'Seed research institutes'** to be set up in all existing agricultural universities.
- **'Agri tech Incubation centers'** to be set up to promote agricultural start-ups and create jobs in agricultural sector.

### FARMER WELFARE

- **2 bags DAP & 5 bags UREA to be given free to all small & marginal farmers along with free electricity, irrigation, interest free loans, insurance & pension.**
- **'Farmer income & welfare commission'** to survey and suggest ways to improve farmer incomes on an annual basis. This commission will also develop the **'Living Wage scheme'** for the farmers below the poverty line. **'Farmer pension'** of Rs. 18,000 per annum to old women, men and disabled to be instituted.
- **'Farmers fund'** for emergency grants in case of natural calamities will be set up.

- **Farmer insurance compensation amount to be upgraded to Rs. 10 lakhs.**
- **'Crop insurance scheme'** with fair damage assessment arrangements, speedy claim assessment & settlement.
- **Existing crop insurance scheme to be withdrawn and a newly devised state-sponsored farmer-friendly crop insurance scheme to be launched. A new framework to be instituted for assessment of crop damage on farm specific basis rather than community based.**
- **'Panchayati raj institutions to be made corruption free by bringing in e governance at village level.'**
- **SGST reimbursement for select farm machinery & inputs.**
- **Digital mapping of farmland to resolve disputes and establish ownership.** Speedy redressal of land disputes and division plaints.
- **'GraminNyayalaya act to be implemented'** for speedy resolution of land disputes.
- **'Stamp duty for farm land transfers/settlements'** within families/blood relations to be reduced to 2% in case of women beneficiaries.
- **'Fixed annual remuneration will be paid to farmers on the periphery of reserve forests, national parks and sanctuaries.'** This will not only provide financial relief to farmers affected by crop damage caused by wild animals but will also incentivize wildlife conservation.
- **'Cane farmers payment issue'** – A rolling corpus of Rs. 10000.00 crore to be set up to ensure payment to cane farmers within 15 days.
- **Sugar recovery rate to be improved in the sugar mills.**

- **Rural livelihood mission employees & professionals to get all benefits and salaries in a timely manner.**

### WOMEN FARMERS RIGHTS

- Ensure recognition and provide full entitlements/support to women farmers at par with male farmers. Special schemes and support systems for single-women heading farm families.
- Provide land rights and pattas to women, with special drives for measures such as joint titling of land in the names of husbands and wives, and mutation of land in the name of women successors.

### TENANT FARMERS RIGHTS

- **'UP Tenant farmer empowerment policy'** This policy, will ensure that the actual tenant cultivators are able to get the benefit of soft credit, disaster relief, market infrastructure, DBT and MSP. A technology-enabled system of registering cultivators will be instituted without infringing on the ownership rights of the landowners. This policy shall enforce that all contracts are inked and legally binding on both the parties with pragmatic arbitration and dispute redressing mechanism.

### SUSTAINABLE AGRICULTURE

- **'Price compensation incentives'** for organic farming to cover the yield loss in the first three years of turning organic.

- **'Smart Kisan sahayak'** scheme to train & employ 5 Lakh rural youth (Farm extension service providers) for implementing sustainable and environment friendly farming practices and to make UP a **'Climate Smart Agriculture'** state enabled by e-commerce marketing platform.
- **'Agroforestry policy'** for doubling the forest & tree cover(ten lakh hectares) i.e., 15% area of Uttar Pradesh state, using agro biodiversity conscious agroforestry. This would create 10 lakh jobs.
- **Farmers to be able to sell land to government at double the circle rate for conversion into forests.**

## RURAL SPORTS

- **'Rural sports leagues'** for popular sports like football, cricket, hockey, kabaddi, Tennis ball cricket will be set up in UP.
- **'Sports facilitation center'** to be set up in all Tehsil towns.

# YOUTH & EMPLOYMENT

Samajwadi Party shall ensure a bright & self - reliant future for young boys & girls of Uttar Pradesh. Our mission is to ensure the following:

- Quality educational opportunities.
- Skill development for self - employment.
- Secure Job options for all eligible youth.
- Safe working environment.
- Self respect beyond caste and religion.
- High technology farming inputs & training for rural youth.

## EDUCATION & SKILL DEVELOPMENT

- **'State education policy'** to focus on English education as the language of economic betterment supplemented by local languages for building cultural identity. Special emphasis will be on **'Girl child education'**. **UP to be a 100% literate state by 2027.**
- **'Technical & vocational institutes'** to be set up in all districts.
- **'Sainik schools'** to be set up in all mandal towns.
- **'Skill development and carrier counseling centers'** at tehsil level for students and specially for girls with a target of offering skill development programs to **5 lakh youth per annum.**

- **'District level training camps for army & police recruitment.'**
- **'Scholarship fund for brilliant students from the state'** who are able to secure admission in colleges and universities of national and international repute.
- **'Lap top'** distribution schemes for students from across the state.
- **'Residential hostels'** to be set up for students in the big cities.
- **'Admit card for exams to be treated as a free pass in state busses.'**

## EMPLOYMENT

- **'Urban Employment Guaranty Act'** to be brought in to ensure minimum income to young men & women till such time they are able to get a secure vocation.
- **'State Employment policy'** to be formulated to create a detailed roadmap for generating employment in the government & the private sector.
- **'Department of Employment'** to generate unemployment data through an e portal and share it with potential employers.
- **'Gap analysis & Capacity augmentation'** in jobs to be carried out at all government departments as per national & international norms.
- **'Minimum wages for unskilled & semi skilled workers to be reviewed and made at par with national norms.'**

- **'Appointments to all vacant posts in the State health care & education system'** to be made effective within one year and short term contractual hiring to be discontinued'
- **'Para-medical and nursing staff in public health system'** to be doubled.
- **'Special recruitment & training drive for ASHA workers to be reinstated.'**
- **'Public Health management cadre'** to be developed so that frontline doctors can be relieved of all administrative duties.
- **'Gap analysis & Capacity augmentation in the police force'** as per norms to be carried out at all police station level.'
- **'Appointments to all vacant posts in the UP police'** to be made effective within one year.'
- **'Special drive for recruitment of women in the police force, so as to create an independent 'Women police unit'.**
- **'Smart Kisansahayak'** scheme to train & employ 5 Lakh rural youth (Farm extension service providers) for implementing sustainable and environment friendly farming practices and to make UP a **'Climate Smart Agriculture'** state enabled by e-commerce marketing platform.
- **'Agroforestry policy'** for doubling the forest & tree cover(ten lakh hectares) i.e., 15% area of Uttar Pradesh state, using agro biodiversity conscious agroforestry. This would create 10 lakh jobs.

- **'Nadimitra'** scheme to provide a monthly stipend, delivered by DBT, to farmers and local communities for assisting in habitat conservation and engaging in sustainable agriculture in and around rivers in Uttar Pradesh, so as to be integrated with the UP river mission.
- **'Paryavaranmitra&Sarusmitra'** scheme to provide a monthly stipend to farmers and local communities for assisting the forest department in wildlife protection, habitat conservation in and around forests, wetlands, rivers and grasslands.
- **'Tiger/wildlife Protection Force will be raised'** from amongst the retired Army personnel in the state.
- **'Public prosecutor recruitments'** to be carried out within three months.
- **'UP State Industrial Security force to be raised'** to provide security to all enterprises old & new in the state.
- **'Age relaxation of two years'** to be extended to candidates who lost out an opportunity to appear in competitive exams.
- **'Gram rojgarsewaks'** to be regularized in government service at an appropriate pay scale.

## ● ENTREPRENEURSHIP DEVELOPMENT

- **'Samajwadi Party government will revive, revitalize and incentivize the MSME sector'** in the state and turn it into an **'engine of growth'** so as to generate one crore jobs by 2027.
- **'Agri tech Incubation centers'** to be set up to promote agricultural start-ups and create jobs in agricultural sector.
- **'Food-processing cluster'** specific to the local crops to be established in all mandals.
- **'Export oriented food processing clusters'** to be set up in 5 major agro – climatic zones of Uttar Pradesh.
- **'Kamdhenu scheme'** to be reintroduced for dairy.
- **'Micro & Small Poultry & Fisheries projects'** to receive special incentives.
- **'20 KisanSahyogSamuh(FPO) to be set up in every district' i.e. 1500 across the state of UP.**
- The above is the best option to address the issue of 'economies of scale' and strengthen economic power of the farmers.
- **'Community based eco-tourism clusters'** will be created and required skill development, state funding and marketing assistance, with the help of experts from all over the world, will be made available.
- **'Tourism Self help groups'** to be set up to promote local handicrafts through

tourism channels and e-commerce platform. This will help in maximizing returns to the actual artisans by cutting out the middlemen.

- **'Bundelkhand region'** to be developed for adventure, wildlife and heritage tourism.
- **'Women micro entrepreneurs' to enjoy special benefits & incentives.** This will help build a healthy eco system for women entrepreneurs.
- **'Rural Industrial hubs'** to be developed in backward districts to enable creation of jobs locally.
- **'20 Artisan SahyogSamuh(IPO) to be set up in every district' i.e. 1500 across the state of UP.**
- **'Data generation, IT & Rural BPO sector'** to be incentivized to generate more local jobs.
- **'Regional media hubs'** to be developed to create organized jobs in the media sector.

## SPORTS

- **'Three world - class stadiums'** to be setup.
- **'Five sports colleges'** to be setup across the state.
- **'Sports facilitation and coaching centers'** to be set up in all district towns.
- **'Sports medicine university'** to be set up to create a cadre of specialized sports medics.
- **'Rural sports leagues'** for popular sports like football, cricket, hockey, kabaddi, tennis ball cricket will be set up in UP.
- **'CM Sports scholarships'** to meritorious sportspersons for nutrition, training & equipment.

# HEALTHCARE & FAMILY WELFARE

## POLICY

- State Health policy 2022' will be brought in to rebuild a Robust, Resilient & Responsive health care system with special emphasis on generating excellence in medical education.
- Cash less health service' to provide quality health service to the poor.
- Health sector budget will be reviewed/prioritized and augmented to three times the present allocation i.e. to about 10% of the state budget so as to deliver quality health care in UP.
- 'State Pandemic relief agency' to be setup to prevent and manage any Corona type pandemics in future.
- 'Policy for setting up Health Cities'
- Policy for capping price of medical tests' to be implemented.'

## INFRASTRUCTURE

- Up-gradation of facilities & services at all District Hospitals' in the state so as

to restore the confidence in the public healthcare system of UP.

- **Gap analysis & Capacity augmentation to be carried out at all government hospitals.'**
- **'All District Hospitals to have ICU, Ventilators & shall be developed as centers of excellence'**
- **All trauma centers will be revived and numbers further augmented.**
- **Super specialty hospitals to be set up in all 18 Mandal cities.**
- **Five regional super specialty hospitals to be set up in rural areas.'**
- **Nursing and pharmacist training institutes'** to be setup in all mandal towns.
- **108/102 Ambulance network'** with advance life support systems to be revived & augmented.
- **'Cardiac emergency ambulances'** to be made available at all blocks in the districts.
- **Tech enabled mobile medical units network'** to be established.
- **'Blood banks'** to be set up in all districts.
- **24 hours electric supply'** to all government clinics and hospitals in UP to be ensured.
- **ANM staff to be provided with electric scooters to provide assistance to expectant mothers & Neo Natal care.**
- **Ashajyoti kendras to be set up in all cities.**

## HUMAN RESOURCE DEVELOPMENT

- Appointments to all vacant posts in the State health care system to be made effective within one year and short term contractual hiring will be discontinued'
- Young doctors working in rural health centers and remote locations will be given monthly cash incentives and security.'
- Double the numbers of para-medical and nursing staff in public health system.
- Special recruitment & training drive for ASHA workers to be reinstated. Remuneration for ASHA workers to made at par with other rural services.
- Swastha Sahayak scheme' to train and online connect RMPs with qualified doctors.
- Special emphasis on recruiting qualified teachers in Medical colleges and also engaging guest lecturers through IMA.
- Public Health management cadre' to be developed so that frontline doctors can be relieved of all administrative duties.
- UP State institute of public health management' to be setup to develop this cadre.

## INFORMATION, TECHNOLOGY & TELE MEDICINE COUNSELING

- **Online Telemedicine consultation & General Physician services'** to be made available at all PHC/APHC/CHC.
- **108/102 Ambulance network to be upgraded to IT inspired tech platform'** so that response time is less than 15 minutes.
- **Technology enabled Medical testing centers'** to be established at all tehsils and a price cap introduced on private testing centres.
- **AI based data learning to predict epidemics and ensure effective handling.**

## ○ WELFARE

- **Free primary healthcare and counseling'** for families with an annual income of less than 1.5 lakhs.
- **Health insurance cover up to Rs. 10 lakh'** for serious ailments and trauma cases for all citizens below the poverty line.
- **Immediate response & treatment for all trauma/emergency case victims at the nearest private/public hospital and the cost to be borne by the state.'**
- **CM Health fund'** to provide grants to patients in need of expensive treatment for diseases like cancer, kidney transplant etc.

# EDUCATION

## POLICY

- **'State Education policy 2022'** will be brought in to rebuild a 'Resurgent, Learning & Innovation driven' education system with special emphasis on generating excellence in education.
- **'Primary & Secondary Education Mission'** to make Uttar Pradesh achieve 100% literacy till 12<sup>th</sup> grade, by 2027.
- **'Free Girl child education from KG to PG'** to be the mission epicenter.
- **Gross enrollment ratio'** to be increased to 50% in higher education & 100% in secondary education.
- **Major thrust for quality up-gradation in the public education system at all levels and a promise to double the university seats.**
- **'Education sector budget'** will be reviewed/prioritized and augmented to three times the present allocation i.e. to about 6% of the state GDP.
- **'State education policy'** to focus on English education as the language of economic betterment supplemented by local languages for building cultural identity. English language to be introduced in all schools from 1<sup>st</sup> standard.
- **'Policy for setting up Education Cities'**

- **Mandatory Environment education'** in all primary/secondary schools and institutions of higher learning so as to imbibe respect for nature and its conservation amongst the young generation.

## INFRASTRUCTURE

### PRIMARY & SECONDARY EDUCATION

- **'Up-gradation of facilities & services at all primary & secondary schools'** to the highest levels so as to restore the confidence in the public education system. Schools to be equipped with tables, chairs, water coolers & sports equipment.
- **Computer education to be introduced from primary level in all schools.**
- **'GIC & GGIC'** to be developed as centers of excellence in all districts.
- **'Samajwadi Residential Model schools'** to be developed in all districts.
- **'24 hours solar electric supply'** to all government schools.
- **Incentive scheme for 'Quality up-gradation' in private rural schools.**
- **Women Primary school teachers to be provided with electric scooters.**

### VOCATIONAL EDUCATION & SKILL DEVELOPMENT

- **'Technical & vocational institutes'** to be set up in all districts.
- **'Sainik schools'** to be set up in all mandals.

- **'Skill development, job & personality counseling centers'** at tehsil level for students, specially for girls with a target of offering skill development programs to **5 lakh youth per annum**.
- **'Nursing and pharmacist training institutes'** to be setup in all mandals.

## HIGHER EDUCATION

- **'State Education Fund to be created to roll out a subsidized student loan scheme'** for all students who are pursuing higher education.
- **'Allahabad city to be developed as the 'Model Education City' of the country.'**
- **'Lucknow University to be developed as a lead institution of learning with special emphasis on Heritage, culture and fine arts'** besides upgrading all other existing faculties.
- **'Government degree colleges'** to be set up in all tehsil towns.
- **'Five regional Universities'** to be set up in rural areas.'
- **'HBTI and UPTU to be made technical universities of excellence.'**
- **'State research fund'** on the lines of UGC to provide grants to students pursuing PhD programs in universities in the state.
- **'Colleges offering teacher training courses to girls'** to be set up in all 18 Mandals.

- **'Rural coaching hubs'** to be developed in backward districts to provide coaching to local students for competitive exams.
- **'Heritage Institutes scheme'** to provide grants for infrastructure up - gradation to schools, colleges and educational institutions more than 50 years old.
- **'Residential hostels'** to be set up in big cities, for students.
- **'Free travel pass in state busses for students.'**
- **'Bus service to colleges & universities'** for students in all major cities.
- **'Home delivery of family income/caste certificates & school/college documents'** to be implemented.

## HUMAN RESOURCE DEVELOPMENT

- **'Appointments to all vacant posts in the State education system'** to be made effective within one year and short term contractual hiring will be discontinued'
- **'Gap analysis & Capacity augmentation to be carried out at all government Schools & colleges'** as per national & international norms.
- **'Young teachers working in rural schools in very remote locations will be given monthly cash incentives and security cover.'**
- **'Non teaching assignments such as election duties'** will not be enforced on teachers working in government schools.

- **Special recruitment & training drive for Shiksha mitra to be reinstated. with double the numbers. Remuneration for Shiksha mitra to be made at par with other rural services.** The honorarium of Shiksha Mitras will be increased by Rs. 5000 p.m. and we will have a policy to absorb them against regular government job within three years.
- **'Education management cadre to be revamped & restructured to make it efficient & corruption free.'**
- **'Special remuneration packages and grievance redressal for BPEd qualified teachers, Anudeshaks, Maths & science junior school teachers, Urdu teachers, Bed. Unemployed group, BTC unemployed teachers, 108/102 Ambulance workers, Rojgar sevaks, Anganbadi workers & MDM cooks.'**
- **'Unaided school teachers'** to be given a monthly remuneration of Rs. 5000.00

#### ● INFORMATION, TECHNOLOGY & TELE EDUCATION

- **'Online Tele – Education'** to be made available at all primary, secondary schools & for coaching for competitive exams.
- **'WIFI in all primary & secondary schools.'**
- **'Mobile digital & multimedia libraries'** in all districts to cater to rural schools.
- **'Lap top'** distribution scheme for students from across the state who clear 12<sup>th</sup> grade.

- **'Special computer coding language courses'** to be introduced in state schools and colleges.

## WELFARE

- **'Free primary & secondary education'** for children from BPL families.
- **'Urban Universal school voucher system'**
- Rs. 500 per month (Rs. 6000 per year) direct transfer to every student in the cities.  
☒
- **'Student credit card'** with Rs. 5000.00 limit to be introduced.
- **'Mid Day Meal scheme to be improved and outreach extended'** by introducing the concept of centralized kitchens and delivery. Special emphasis on a balanced nutritious diet for the children.
- **'Education insurance cover for BPL families'** in case of unfortunate demise of the earning parent.
- **'Scholarship scheme for students from BPL families who are preparing for competitive exams'** to be implemented.
- **'CM Scholarship fund for brilliant students from the state'** who are able to secure admission in colleges and universities of national and international repute.

# WOMEN EMPOWERMENT

“Woman is the companion of man, gifted with equal mental capacities. She has the right to participate in the minutest details in the activities of man, and she has an equal right of freedom and liberty with him. She is entitled to a supreme place in her own sphere of activity as man is in his. This ought to be the natural condition of things and not as a result only of learning to read and write. By sheer force of a vicious custom, even the most ignorant and worthless men have been enjoying superiority over woman, which they do not deserve and ought not to have. Many of our movements stop half way because of the condition of our women.”

**Mahatma Gandhi**

## POLICY

- **Samajwadi Party government will have a 'Zero Tolerance policy' towards 'Heinous Crimes' against women & children.**
- **'Women to be given 33% reservation in all government jobs including police. This reservation will be applicable within all categories such as General, EWS, OBC, SC & ST.**
- **Girl child education to be free from KG to PG**
- **'Primary & Secondary Education Mission' to make Uttar Pradesh achieve 100% enrollment & quality up to 12<sup>th</sup> grade, by 2027.**
- **'Gender budgeting' to be made part of government policy & its implementation.**

## EDUCATION & SKILL DEVELOPMENT

- **'Cycle & solar table lamp distribution scheme'** for girl students 9<sup>th</sup> grade onwards.
- **'Samajwadi Residential Model schools for girls'** to be developed in all districts.
- **'All Women frontline employees to be provided with electric scooters.'**
- **'Skill development, job & personality counseling centers'** at tehsil level for girls with a target of offering skill development programs to **2 lakh girls per annum.**
- **'Nursing and pharmacist training institutes for girls'** to be setup in all mandals.
- **'Colleges offering teacher training courses to girls'** to be set up in all 18 Mandals.
- **'Residential hostels'** for girls to be set up in big cities.
- **'Bus service to colleges & universities'** for students in all major cities.
- **'Free travel for girl students in state busses.'**
- **'Board & competitive exams for girl students to be held in home district.'**
- **'50% representation in Lap top'** distribution scheme for girl students from across the state who clear 12<sup>th</sup> grade.
- **'CM Scholarship fund for brilliant girl students from the state'** who are able to secure admission in colleges and universities of national and international repute.

## ● EMPLOYMENT

- **'Women teachers to be given preferential posting options.'**
- **'Non teaching assignments such as election duties'** will not be enforced on women teachers working in government schools.
- **Special recruitment & training drive for Shiksha mitra to be reinstated with double the numbers. Remuneration for Shiksha mitra to be made at par with other rural services.** The honorarium of Shiksha Mitras will be increased by Rs. 5000 p.m. and we will have a policy to absorb them against regular government jobs within three years.
- **Special recruitment & training drive for ASHA workers to be reinstated. Remuneration for ASHA workers to be made at par with other rural services.**
- **'Para-medical, nursing staff & care givers in public health system'** to be doubled.
- **'Working women hostels'** to be set up in big cities.

## HEALTH

- **'Sanitary Pads for free distribution'** at PHCs/secondary schools in rural area.
- **'Hausla Poshan Mission'** for expectant women & undernourished children to be reintroduced.
- **'ANM staff to be provided with electric scooters'** to provide assistance to

expectant mothers & Neo Natal care.

- **'108/102 Ambulance network'** with advance life support systems to be revived & augmented.

## SAFETY

- **'Special drive for recruitment of women in the police force, so as to create an independent 'Women police unit'.**
- **'Women to be given 33% representation in the UP Police force.'**
- **'Self protection training programs'** to be conducted at regular intervals in all schools & institutions at tehsil level.
- **'CCTV cameras and drone surveillance in all villages and towns to be established within one year.'** Monitoring and response to the inputs from the above to be linked to UP – 100/112 data center so as to generate an automatic response from the nearest UP – 100 vehicle.
- **'UP - 100/112 which has been diluted will be revived and tech enabled to cover the entire state'** with response time of less than 15 minutes.
- **'Women power line 1090 to be re-strengthened'** and with a facility to file complaints & FIRs by email and whatsapp.
- **'1090 APP to have systems to track crime resolution, progress of investigation and crime resolution reports.'**

- **'Special women cell'** under the DGP to track and resolve crimes against women.
- **'ACR's of all police officers to have an index to ascertain their gender equality performance.'**
- **'Fast track courts'** in all districts.
- **'Asha Jyoti Kendras'** would be set up in all districts as one stop solution for all issues relating to women.

## RIGHTS & WELFARE

- **'Women ration cards to be issued to all BPL families in one year.'**
- **'Stamp duty for farm land transfers/settlements'** within families/blood relations to be reduced to 2% in case of women beneficiaries.
- **'Ensure recognition and provide full entitlements/support to women farmers at par with male farmers.'** Special schemes and support systems for single-women heading farm families.
- **'Joint titling of land in the names of husbands and wives'** to provide land rights and pattas to women, with special drives for measures such as mutation of land in the name of women successors.
- **'Samajwadi Pension scheme of Rs. 18000.00 per annum'** to be reintroduced for old, needy & women in BPL families with up to 1 cr beneficiaries.
- **'Rs. 15000 grant to women from BPL families at childbirth.'**

- **'KanyaVidyadhan'** scheme to be reintroduced with Rs. 36000.00 one time grant for girls after passing 12 class.
- **'Rs. 2 lakh grant & a house for marrying widow, disabled & orphan girls.'**
- **'Acid attack victims'** to be given a rehabilitation package.
- **'Pressure cookers to be distributed to women from BPL families.'**

### ENTREPRENUERSHIP & MICRO ENTERPRISE

- **'Micro Finance Bank'** to be incorporated so as to provide affordable, collateral free loans available to **women artisans and crafts person**. The bank shall also have a Credit Guarantee Fund to improve banks' confidence in extending collateral free credit.
- **'Women micro entrepreneurs' to enjoy special benefits & incentives under this policy**. Training and capacity building drives for women entrepreneurs.
- **'Women self help groups'** to be set up to promote **local handicrafts & traditional food products** through tourism & e-commerce platform. The target shall be to set up 3 lakh such groups in five years.
- **'Resource persons, working with Women self help groups'**, to be ensured timely payments.
- **'Micro Kamdhenu scheme'** to be introduced with special incentive for **women dairy operators**.

# LABOUR EMPOWERMENT

○ Samajwadi Party shall usher in a bright, safe, prosperous & dignified future for unskilled & skilled workers in Uttar Pradesh. Our mission is to ensure the following:

- Secure Jobs & prosperity for all workers.
- Safe & healthy working environment.
- Self respect beyond caste and religion.
- 

## WORKER EMPLOYMENT & RIGHTS

- Dial 1890: Mazdoor Powerline (Dial अठारह नब्बे ) to be established for workers in the state and migrant workers from UP working in other states.'
- Migrant worker cards to be instituted.
- This helpline/card will be for workers from across Uttar Pradesh and they shall be able to seek assistance/grievance redressal from the Government on any of the issues listed below:
  - Report health and safety violations at the workplace. [L SEP]
  - Report any discrimination at the workplace. [L SEP]
  - Report complaints against their employer for unpaid wages and [L SEP] mistreatment. [L SEP]

- Report accidents and mishaps at the workplace. [SEP]
- अठारह नब्बे HQ to be built at Kanpur, the industrial hub of Uttar Pradesh.
- **'Equal Pay for Equal Work'** to be made a statutory right. Under this law women will also get the same pay as their male counterparts. [SEP]
- **Minimum wages for unskilled & semi skilled workers to be reviewed and made at par with national norms.'**
- **Labor cess to be increased to 2% from 1% as of now.'** The funds generated shall be used for labor welfare.
- **Fixed-term labourers i.e., contract labour** will be given the same wages as permanent employees for the duration of their employment across all sectors and establishments without any exceptions.
- **Samajwadi Party Government will standardize contract templates'** that will need to be followed, and registered on a government online portal, by all contractors/employers while hiring such labour.
- **Safai Karamcharis'** to be recognized as government employees where feasible and where not, they will be given the same wages and benefits of government employees for the duration of their contract.

- - **'Urban Employment Guaranty Act'** to be brought in to ensure minimum income to young men & women till such time they are able to get a secure vocation.
  - **Samajwadi canteens & Kiraina stores'** to be set up in all cities and will provide subsidized food and provisions to poor workers, construction workers & homeless. **'Samajwadi Thali'** will be available for Rs. 10 at the above canteens.
  - **Manual garbage handling will be abolished and the garbage handlers to be trained to use machines & skilled for other jobs.'**
  - **Increasing Female Labour Force Participation (FLFP)** to be a priority for the Samajwadi Government.
  - **Women toilets & crèches to be made mandatory'** at all establishments employing more than 50 workers.
  - **Mobile schools to be set up for children of construction workers'.**
  - **Cycle distribution scheme for labour.'**

## MIGRANT WORKERS

- **'Migrant workers from UP to be given subsidized dormitory accommodation by building UP Bhawans in all big cities where workers from UP are present'**
- **Ration card portability'** for the migrant workers to be introduced.
- **Health insurance policy for the migrant workers'** to be introduced.
- **Permit fees for auto rickshaws to be rationalized.'**

## ARTISANS/WORKERS

- **Artisan/worker pension'** of Rs. 18,000 per annum to old women, men and disabled to be instituted.
- **Artisan/worker insurance compensation'** amount to be set as Rs. 10 lakh.
- **Worker/Artisan income & welfare commission'** to survey and suggest ways to improve incomes on an annual basis. This commission will also develop the **'Living Wage scheme'** for below the poverty line worker families.

## LABOUR LAW REFORMS

- **Temporary Exemption from Certain Labour Laws Ordinance, 2020'** which makes majority of labour laws in Uttar Pradesh inapplicable for a period of 3 years to be repealed as it is anti-labour and unconstitutional. **'Samajwadi Government to bring in rational & labour friendly laws to create a healthy working environment for workers & entrepreneurs.'**
- **Union Labour Codes'** will not be implemented in Uttar Pradesh
- The draconian provisions in the above codes will not be notified in Uttar Pradesh. 100-worker limit to be retained and two weeks' advance notice requirement for strikes to be restricted only to public utility services.

## PUBLIC SECTOR UNITS

- **Samajwadi government would restructure and reinvest in state PSUs to protect jobs and reservation.'**

# LAW & ORDER

## POLICY

- **'State Law & Order policy 2022'** will be brought in to rebuild a Robust, Resilient & Responsive police system with special emphasis on generating excellence in more humane & people friendly public relations.'
- **Samajwadi Party government** will have a **'Zero Tolerance policy'** towards **'Organized crimes'** and **'Hate Crimes'** against any citizen specially **'Women, Minorities & Dalits'**.
- **'State crime record bureau'** to be set up to keep track of crime in the state and to digitize previous data to generate crime prevention leads using AI & machine learning.

## INFRASTRUCTURE

- **'Up-gradation of facilities & services at all Police stations'** in the state so as to boost the morale of the police force and facilitate the visitors.
- **'All Police stations to have high tech infrastructure'**
- **'New police stations in big cities to be set up under CSR funding model'**
- **'Cyber crime prevention units to be established in all districts.'** The above will report into a state level **'Cyber crime wing'**.

## HUMAN RESOURCE DEVELOPMENT

- 'Gap analysis & Capacity augmentation in the police force as per norms to be carried out at all police station level.'
- 'Appointments to all vacant posts in the UP police to be made effective within one year.'
- 'Special drive for recruitment of women in the police force, so as to create an independent 'Women police unit'.
- 'Compulsory induction training for all police recruits and mid service training for serving personnel'
- 'Police training colleges to be upgraded' with state of art infrastructure & faculty for learning in investigative techniques, Forensic technology, Data analytics & Artificial intelligence.
- 'Police personnel to be given three chances for promotion in their carrier.'
- 'Police working hours' to be structured with weekly holiday.
- 'Junior police personnel to be allowed posting in districts near home district.'
- 'Special drive to augment and upgrade housing, education & healthcare facilities for the police force.'
- Salaries of Village chowkidars & Home-guards to be revised.
- 

## INFORMATION & TECHNOLOGY

- **'CCTV cameras and drone surveillance in all villages and towns to be established within one year.'** Monitoring and response to the inputs from the above to be linked to UP – 100/112 data center so as to generate an automatic response from the nearest UP – 100 vehicle.
- **'UP - 100/112 which has been diluted and made to be revived and tech enabled to cover the entire state'** with response time of less than 15 minutes.
- **Women power line 1090 to be re-strengthened and with facility to file FIRs by email and whatsapp.**
- **AI based data learning to predict crime pattern and ensure effective prevention.**
- **'UP Helpline for NRIs from UP'** to be set up.

## WELFARE

- **'CM Jan Suraksha Cell'** to be set up to fast-track crime detection & resolution in the state.
- **Samajwadi party government will ensure corruption free Thana & Tehsil.**
- **'Public prosecutor recruitments'** to be carried out within three months. All public prosecutors to be trained and evaluation of their performance to be carried out at a special academy set up for this purpose.

- **'Special women cell'** under the DGP to track and resolve crimes against women.
- **'Zero tolerance towards food & drug adulteration'** to be strictly implemented.
- **'Zero tolerance towards land grabbing crimes'** to be strictly implemented and village ponds to be made free of kabzaa.

# PUBLIC INFRASTRUCTURE

## WATER

- **'Clean drinking water mission'** will ensure potable water to all villages & cities by taking multiple steps including reviving ponds, wetlands & natural streams and rain water-harvesting channels.
- **'Uttar Pradesh river mission'** for revival of all rivers and streams in Uttar Pradesh by taking preventive measures against pollution and land use change in the catchment basin and stopping flow of untreated sewage and waste into the rivers. **Special campaign to revive rivers and water bodies that have dried up.**

## ROADS

- **'Bundelkhand Expressway & Ganga Expressway'** to be made fully functional by 2024.
- **'All districts to have four lane road network & connectivity with district headquarters by 2024'**
- **'All villages to be connected by roads & internal village roads to be made with RCC.'**
- **'Cycle highway network'** will be created across rural UP.

## ELECTRICITY

- **'Uttar Pradesh to be made self sufficient in power generation with a balanced mix of thermal, bio & solar power.'**

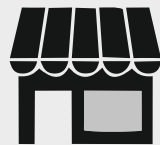

- 'Power distribution network to be overhauled & line losses to be brought down to acceptable norms.'
- 'All villages to have domestic and agricultural/commercial feeder lines connectivity,'
- 'Solar street- lights to be installed in all villages.'
- '24 hours electric supply to be ensured across the state.'
- '100% stamp duty exemption on land purchased for alternate energy generation plants.'
- 'Solar power generation' to be the priority sector for new power projects.'
- 'All greenfield industry projects to be incentivized to have GIGA FACTORY enabled power generating technology.' GIGA factory is a greenfield mega facility with super capacity solar power plant generating green energy for not only in house consumption but also for a captive catchment area around it, where unique employment opportunities are also generated.
- 'Roof top solar units to be incentivized & net metering to be reintroduced'
- Free electricity for farm irrigation.
- 'Up to 300 units of electricity to be made free for household consumers'.
- 'Electricity tariffs for cold storages/chains and food processing units' established in rural areas to be rationalized.
- 'Agriculture waste & Solid waste to power generation units' will be setup in village clusters so that the farmers can avoid burning paddy/wheat stocks that

- causes air pollution, dispose solid waste and the power generated will be free for the cluster community.
- **'DISCOMS to be restructured and made commercially viable.'**
- **'Free WIFI zones in all cities and villages.'**

# MICRO SMALL & MEDIUM ENTERPRISE

- Samajwadi Party government will revive, revitalize and incentivize the MSME sector in the state and turn it into an 'engine of growth' so as to generate one crore jobs by 2027.

## POLICY, INCENTIVES & EASE OF DOING BUSINESS

- **'MSME Policy 2022'** to be brought in to ensure ease of doing business, shall eliminate harassment due to 'inspector raj' and reassure time bound online renewal of permissions/licenses.
- **'Time bound single window and under a single roof clearance'** to existing & new units under this policy will also be ensured.
- **'Women micro entrepreneurs' to enjoy special benefits & incentives under this policy.** This will help build a healthy eco system for women entrepreneurs.
- **'Industrial area land to be made freehold'** with a one time payment option.
- **'Land development charges to be waived'** for green-field projects.
- **'Micro sector to be reclassified and a special micro enterprise cell'** to be created so that maximum benefits can be passed on to micro enterprises.
- **'Rehabilitation of sick units'** to be undertaken in this policy.
- **'UP State Industrial Security force to be raised'** to provide security to all enterprises old & new in the state

## INFRASTRUCTURE

- **High tech Special Export Zone** to be set up along the Agra-Lucknow Expressway for agro& handicraft businesses.
- **Infrastructure** – roads, waste management, alternate power grid, green tech, low cost housing & water conservation to be revived in all existing industrial areas in the state.
- **'Rural Industrial hubs'** to be developed in backward districts to enable creation of jobs locally.
- **'Electricity rates for industrial use to be rationalized.'**

## INNOVATION

- **'Tech Incubation centers'** to be set up to promote start-ups and create jobs.
- **'One time incentives'** to be given to industries shifting to green& environment friendly technology.
- **'Industries to be encouraged to use bio ethanol/environment friendly fuels'** instead of other polluting substances.

## FINANCE

- **'State Micro Finance Bank'** to be incorporated so as to provide affordable, collateral free loans available to **micro entrepreneurs, artisans and craftsmen.** These loans to have a reasonable moratorium period. The bank shall also have a

- Credit Guarantee Fund to improve banks' confidence in extending collateral free credit.

## MARKETING & BRAND PROMOTION SUPPORT

- 'Traditional MSME clusters'** in all prominent cities of Uttar Pradesh to be revived with state of art **Central Facilitation Centers, Flat rate electric supply, Raw material banks, Display Marts and e-commerce** enabled marketing support with special emphasis on setting up **'Artisan Bazars'**
  - **'20 Artisan Sahyog Samuh(IPO) to be set up in every district' i.e. 1500 across the state of UP.**
  - The above is the best option to address the issue of 'economies of scale' and strengthen bargaining power of the artisans.
  - 'Artisan self help groups'** to be set up to promote local handicrafts through tourism & e-commerce platform. This will help in maximizing returns to the actual artisans by cutting out the middlemen.
  - Price preference system and rate contract purchase system from local industries to be revived.**
- 
- 'Artisan/worker pension'** of Rs. 18,000 per annum to old women, men and disabled in the unorganized sector to be instituted.

- **'Artisan/worker insurance compensation'** amount to be set as Rs. 10 lakh.
- **'Worker/Artisan income & welfare commission'** to survey and suggest ways to improve incomes on an annual basis. This commission will also develop the **'Living Wage scheme'** for below the poverty line worker families.

## CITY SPECIFIC INTERVENTIONS

### ● FIROZABAD

- ☞ **'Glass research center'** to be set up to provide global technology inputs to the units so as to enable them to make a breakthrough in the export market.
- ☞ **'Gas supply'** to the industry to be augmented as per actual need.
- ☞ **'Safety protocols for artisans'** working in the glass industry to be developed and implemented

### ● MORADABAD

- ☞ **'Industrial growth zone of 40 square km'** to be declared around Moradabad city.
- ☞ **'Raw material bank'** to be developed inside the SEZ.
- ☞ **'Research & Development center for handling e – waste'** to be set up. Micro enterprises engaged in the above business to be trained and provided with environment friendly tech options.

## ●PRAYAGRAJ

- ⇒'Tourism to be declared the champion industry for Prayagraj'. 'Education Tourism' development and management plan to be implemented on the lines of Oxford & Cambridge.

## ●KANNAUJ

- ⇒'Aroma park' infrastructure to be upgraded.
- ⇒'Raw material bank' to be developed.
- ⇒'Gas based technology' which is also fuel efficient to be introduced for perfumeries.
- ⇒'Perfume technology course' to be introduced in the local colleges.

## ●SAHARANPUR

- ⇒'International Expo mart' to be set up at Saharanpur.

## ●VARANASI

- ⇒'Saree design center' to be set up at Varanasi.

## ●KANPUR

- ⇒Jajamau to be declared an industrial area.
- '200 MLD dedicated ETP' to be set up in Jajamau.
- 'Technology & skill development center' to be set up.
- On the lines of above, city specific interventions for Agra, Aligarh, Meeruth,

**Ghaziabad, Noida, Muzaffarnagar, Bareilly, Farukhabad, Gorakhpur & Jhansi shall also be implemented.**

# URBAN DEVELOPMENT

- **Samajwadi government will endeavor to achieve 'sustainable urban development' coupled with 'integration with unique cultural & creative identity' of Uttar Pradesh.**

## WATER

- **'Clean drinking water mission'** will ensure 24 \* 7 potable water to all major cities above 10 lakhs population, by taking multiple steps including reviving ponds, wetlands, natural streams and rain water-harvesting channels.

## RAIN WATER HARVESTING AND PREVENTION OF WATER LOGGING

- **Rain water harvesting to be made mandatory in all cities and express measures will be implemented to build water drainage channels so as to prevent water logging & flooding.'**

## ROADS

- **'Bundelkhand Expressway & Ganga Expressway' to be made fully functional by 2024.**
- **'All districts to have four lane road network & connectivity with district headquarters by 2024'**
- **'City roads in all cities to be widened with flyovers' wherever feasible.**

- **'Artificial intelligence enabled traffic management system'** to be set up in all major cities.

## **ELECTRICITY**

- **'Uttar Pradesh to be made self sufficient in power generation with a balanced mix of thermal, bio & solar power.'**
- **'Power distribution network to be overhauled & line losses to be brought down to acceptable norms.'**
- **'24 hours electric supply to be ensured across the state.'**
- **100% stamp duty exemption on land purchased for alternate energy generation plants.'**
- **'Solar power generation'** to be the priority sector for new power projects.'
- **'All greenfield industry projects to be incentivized to have GIGA FACTORY enabled power generating technology.'**
- **'Roof top solar units to be incentivized & net metering to be reintroduced'**
- **'Up to 300 units of electricity to be made free for household consumers'** and a need based slab system to be introduced.

## **METROS**

- **'Metro projects in Agra, Allahabad, Kanpur and all other major cities to be implemented & made operational in two years by 2024.'**

## AIR CONNECTIVITY

- 'Major cities in UP to be connected by aero plane & helicopter services.'

## RIVER FRONT DEVELOPMENT

- 'Agra, Allahabad, Moradabad, Bareilly, Hindon, Mathura & Varanasi to have river fronts developed as per international standards.'

## CITY FORESTS & PARKS

- 'City forests & parks to be developed in all district cities.'

## PUBLIC LIBRARIES

- 'State of the art public libraries to be setup in Lucknow and Prayagraj.'

## GREENFIELD TOWNSHIPS

- Two new green-field cities to be developed along Agra – Lucknow Expressway & Purvanchal expressway.

## POLLUTION CONTROL

- 'Urban pollution' to be tackled on a war footing by preparing and implementing city specific management plan.
- 'Electric vehicle' purchases will attract tax benefits for consumers. This will help bring down urban pollution.

## WASTE MANAGEMENT

- 'Solid waste management system' to be implemented in all cities above 1 lakh population.

- **'Sewage treatment plants to be operationalized in all cities'** above 1 lakh population and no untreated sewage would be allowed to flow into the rivers.
- **'Waste to energy plants'** to be incentivized.

### **LOW COST URBAN HOUSING AND SLUM ELIMINATION**

- **'Affordable housing to be made available to all.'**
- **'Green Building Technology Research Institute'** to be setup. This will give fillip to low-cost environment friendly building construction in urban Uttar Pradesh.
- **'Green building certification'** to be brought in and all certified buildings will be exempted from House tax for five years.

### **HERITAGE CITIES – CONSERVATION POLICY**

- **'Heritage conservation and adaptive reuse policy to be enacted.'**
- **Agra, Lucknow & Varanasi to be declared as Heritage cities and Samajwadi government shall endeavor to obtain UNESCO certification for the same.'**

# INDUSTRY

Samajwadi Party government will revive, revitalize and incentivize the Industrial sector in the state and turn it into an 'engine of growth' so as to generate jobs.

## POLICY, INCENTIVES & EASE OF DOING BUSINESS

- **Industrial Policy 2022'** to be brought in to ensure ease of doing business, shall eliminate harassment due to 'inspector raj' and reassure time bound online renewal of permissions/licenses. This policy would also incentivize creation of new jobs.
- **Champion Industry'** to be setup in every division for uniform growth across the state.
- **Land banks for green field projects'** to be setup.
- **Time bound single route, single window and under a single roof clearance'** to new units under this policy will also be ensured.
- **'Industrial area land to be made freehold'** with a one time payment option.

- **Land development charges to be waived'** for green-field projects.
- **'Rehabilitation of sick units'** to be undertaken in this policy.
- **UP State Industrial Security force to be raised'** to provide security to all enterprises old & new in the state.

## INFRASTRUCTURE

- **High tech Special Export Zones'** to be set up along the Agra-Lucknow Expressway, Bundelkhand expressway & Purvanchal expressway.
- **Industrial corridors'** to be established alongside the eastern Railway freight corridor.

**Infrastructure – roads, waste management, alternate power grid, green tech, low cost housing & water conservation to be revived in all existing industrial areas in the state.**

**Rural Industrial hubs'** to be developed in backward districts to enable creation of jobs locally.

**Electricity rates for industrial use to be rationalized.**

## INNOVATION

- **Tech Incubation centers'** to be set up to promote start-ups, create a healthy eco system for their success and job creation.
- **'One time incentives'** to be given to industries shifting to green & environment friendly technology.
- **Industries to be encouraged to use bio ethanol/environment friendly fuels'**

# SAMAJWADI DIGITAL POLICY

- Samajwadi Party government will revive, revitalize and incentivize the IT sector in the state and turn it into an 'engine of growth' so as to generate 22 lakh jobs .

## RURAL DEVELOPMENT

- 'Smart village clusters' will be established across the state through a special purpose vehicle called the 'Smart Village Cluster Development Authority'. These clusters shall be based on large - scale data mapping and **Artificial Intelligence** based projections. Each cluster will have localized but sustainable technology based solutions for developing the following:
  - Infrastructure – roads, waste management, alternate power grid, green tech, low cost housing, water conservation & high speed internet.
  - Education & Healthcare
  - Agriculture
  - Capacity building, skill development & local employment.
  - Micro enterprise
    - 'Strengthening of the APMC/MANDIS' by investing in IT enabled technology based grading, moisture measurement & weighing systems.

- **'Agri tech Incubation centers'** to be set up to promote agricultural start-ups and create jobs in agricultural sector.

## GOVERNANCE

- **'MOBILE – office/E – office system in all government offices/departments to be set up for ensuring ease of doing business by retraining the existing employees.'**
- **'Smart government interface' to be established wherein by creating an empowered body called UP State Industrial promotion and development bureau a single route & under single roof facilitation shall be available to all industries.'**

## EDUCATION

- **'20 lakh Lap tops'** to be distributed to students from across the state
- **Computer education to be introduced from primary level in all schools.**
- **'Online Tele – Education'** to be made available at all primary, secondary schools & for coaching for competitive exams.
- **'WIFI in all primary & secondary schools.'**
- **'Special computer coding language courses'** to be introduced in state schools

●and colleges.

## HEALTHCARE

- 'Tech enabled mobile medical units network' to be established.
- 'Online Telemedicine consultation & General Physician services' to be made available at all PHC/APHC/CHC.
- '108/102 Ambulance network to be upgraded to IT inspired tech platform' so that response time is less than 15 minutes.
- AI based data learning to predict epidemics and ensure effective handling.

## LABOUR WELFARE

- 'Dial 1890: MazdoorPowerline to be established for workers in the state and migrant workers from UP working in other states.'

## LAW & ORDER MANAGEMENT

- 'CCTV cameras and drone surveillance in all villages and towns to be established within one year.' Monitoring and response to the inputs from the above to be linked to UP – 100/112 data center so as to generate an automatic response from the nearest UP – 100 vehicle.
- Women power line 1090 to be re-strengthened and with facility to file FIRs by email and whatsapp.

- **'Cyber crime prevention units to be established in all districts.'**
- **AI based data learning to predict crime pattern and ensure effective prevention.**

## **TOURISM**

- **'Tourism Self help groups'** to be set up to promote local handicrafts through tourism channels and **e-commerce platform**. This will help in maximizing returns to the actual artisans by cutting out the middlemen.
- **'Geo tagging'** of lesser-known monuments through Google.

## **URBAN DEVELOPMENT**

- **'Artificial intelligence enabled traffic management system'** to be set up in all major cities.
- **NOIDA to be developed as a hub for electronic industry.**
- **IT Hubs to be created in 5 major cities** in geographic regions of the state.
- **WIFI Zones to be created in all cities & villages.**

## **INNOVATION**

- **'Tech Incubation centers'** to be set up to promote start-ups, create a healthy eco
- **system for their success and job creation.**

# TRADE & COMMERCE

- 'Trader protection commission' to be instituted.
- 
- 'Vyapari helpline/Vyapaarbandhu' to be set up to ensure safety & ease of doing business.
- 
- Trader insurance policy to have Rs. 10 lakh allocation.
- 
- Health insurance cover for micro traders, the lap eddlars and small shop owners.
- 
- Small traders to be granted protection from the threat from the ecommerce.
- 
- Water and house tax for small & micro traders to be rationalized.
- 
- 'State Micro Finance Bank' to be incorporated so as to provide affordable, collateral free loans available to micro entrepreneurs, and traders. These loans to have a reasonable moratorium period. The bank shall also have a Credit Guarantee Fund to improve banks' confidence in extending collateral free credit.
- 

# WATER, ENVIRONMENT & NATURE CONSERVATION

## WATER AND RIVERS

- **Clean drinking water mission'** will ensure potable water to all villages by taking multiple steps including reviving village ponds, wetlands & natural streams and rain water-harvesting channels. Special emphasis on 'engaging with women' will be an integral part of this mission, and will lead to better health for rural Uttar Pradesh.
- **Rural Water treatment plants'** will be set up in all the villages so that all household waste water gets treated and is used for irrigation and ground water pollution is also contained.
- **Uttar Pradesh river mission'** for revival of all rivers and streams in Uttar Pradesh by taking preventive measures against pollution and land use change in the catchment basin and stopping flow of untreated sewage and waste into the rivers. **Special campaign to revive rivers and water bodies that have dried up.**
- **'Nadi mitra'** scheme to provide a monthly stipend, delivered by DBT, to farmers and local communities for assisting in habitat conservation and engaging in sustainable agriculture in and around rivers in Uttar Pradesh, so as to be integrated with the UP river mission.

## ○ COMMUNITY & EDUCATION

- **Mandatory Environment education'** in all primary/secondary schools and institutions of higher learning so as to imbibe respect for nature and its conservation amongst the young generation.
- **Special recognition and financial grants'** will be given to schools and teachers for excellence in delivering nature education, conservation programs and nature camps.
- **Paryavaran mitra & Sarus mitra'** scheme to provide a monthly stipend to farmers and local communities for assisting the forest department in wildlife protection, habitat conservation in and around forests, wetlands, rivers and grasslands.
- **Smart Kisan sahayak** scheme to train & employ 5 Lakh rural youth (Farm extension & technology service providers) for implementing sustainable and

- environment friendly farming practices and to make UP a '**Climate Smart Agriculture**' state enabled by e-commerce marketing platform.
- **Village communities including River-side communities to be actively involved in conservation and sustainable usage of local natural resources.**
- **Special housing scheme for 'River side- communities.**
- **Community Forest Rights'**, across designated forest areas of Uttar Pradesh, so that communities can protect, manage and benefit from these resources without apprehensions of alienation.

#### ● **POLLUTION CONTROL & CLIMATE CHANGE**

- **Entrepreneurship development policy for 'Green Businesses' with international technology transfer and state funding.**
- **Urban pollution'** to be tackled on a war footing by preparing and implementing city specific management plan.
- **Electric vehicle'** purchases will attract tax benefits for consumers. This will help bring down urban pollution.
- **'Agriculture waste to power generation units'** will be setup in village clusters so that the farmers can avoid burning paddy/wheat stocks that causes air pollution.
- **Solid waste to power generation units'** to be set up in village clusters and the power generated will be free for the cluster community.

- **Carbon Exchange'** to be set up to enable green enterprises, organic farmers and plantation owners in the state could earn carbon dollars/credits.
- **Green Building Technology Research Institute'** to be setup. This will give fillip to low-cost environment friendly building construction in rural & urban Uttar Pradesh.
- **Green building certification'** to be brought in and all certified buildings will be exempted from House tax for five years.

### AGRO FORESTRY

- **Agroforestry policy'** for doubling the forest & tree cover (ten lakh hectares) i.e., 15% area of Uttar Pradesh state, using agro biodiversity conscious agroforestry. This would create 10 lakh jobs.

### WILDLIFE CONSERVATION

- **Wildlife protection and natural habitat management services'** to be revamped by introducing 'global best practices' aided by cutting edge technology and AI.
- **Protected forest corridor for elephants and tigers'** will be recreated in the Terai region of Uttar Pradesh, extending from Nepal Border in the east to the Shivalik hills in the west.
- **Tiger/Wildlife Protection Force'** will be raised from amongst the retired Army personnel in the state.

- **UP Wildlife Research & Conservation Institute'** to be set up.

## LIVELIHOOD GENERATION & ECOTOURISM

- **UP Eco-tourism policy & Board'** to be created with stakeholder representation and to bring in global best practices with the help of international experts.
- **Ecotourism Training Institute'** to be set up.
- **Community based eco-tourism clusters'** will be created and required skill development, state funding and marketing assistance, with the help of experts from all over the world, will be made available.

समाजवाद का पथ, परिवर्तन का पर्व  
सत्य प्रत्येक वचन, उत्तर प्रदेश हमारा गर्व

# समाजवादी विचारधारा

**ह**मारी पार्टी समाजवाद में विश्वास करती है इसके जरिए हम सभी के लिए अवसर की समानता एवं समावेशी आर्थिक विकास सुनिश्चित करना चाहते हैं। हम एक ऐसा नीतिगत वातावरण बनाना चाहते हैं जिसके माध्यम से समाज के सभी वर्ग बिना किसी भेदभाव के समृद्ध हों। हम महिलाओं और युवाओं के विकास के लिए विशेष रूप से प्रतिबद्ध हैं। हम एक ऐसी अर्थव्यवस्था बनाना चाहते हैं जहां गरीबी और भूख मिटाई जा सके और सामाजिक और आर्थिक दोनों तरह की असमानताओं को कम किया जा सके। हम राज्य को आर्थिक विकास के सतत पथ पर ले जाना चाहते हैं। हम लोकतंत्र और अभिव्यक्ति की स्वतंत्रता में विश्वास करते हैं। सुशासन हमारा आदर्श वाक्य है। समाजवादी पार्टी मानव संसाधन के विकास के लिए स्वास्थ्य और शिक्षा को सबसे ज्यादा महत्व देती है। हम इस तथ्य को स्वीकार करते हैं कि किसान देश के प्रत्येक नागरिक का पेट भरते हैं और हमारी अर्थव्यवस्था की रीढ़ हैं। हम किसानों के जीवन की गुणवत्ता में परिवर्तनकारी परिवर्तन लाना चाहते हैं। हम बड़े पैमाने पर रोजगार सृजित करने और प्रति व्यक्ति आय में पर्याप्त वृद्धि लाने के लिए उत्तर प्रदेश में बुनियादी ढांचे और उद्योगों के विकास पर ध्यान केंद्रित करेंगे। हम एक ऐसी व्यवस्था बनाना चाहते हैं जहां सार्वजनिक सेवाओं को प्रत्येक व्यक्ति के दरवाजे पर पहुंचाया जाय और सभी की भागीदारी के माध्यम से एक जीवंत और ऊर्जावान वातावरण तैयार किया जा सके। जिससे समाज के सभी वर्गों में तरक्की और खुशहाली आ सके।

## 1. लखनऊ-आगरा एक्सप्रेस-वे

लखनऊ-आगरा एक्सप्रेस एशिया का सबसे लम्बा एक्सप्रेस वे जो मात्र 24 महीनों में तैयार किया गया उत्कृष्ट गुणवत्ता का एक्सप्रेस-वे जिससे दिल्ली लखनऊ की दूरी अब केवल 6 घण्टों में पूरी की जा सकती है। वायु सेना के सुखोई विमान इसमें लैंड कर सकते हैं। किसानों की उपज अब सीधे बाजारों में पहुँच सकती है। और उनकी आय में वृद्धि होगी। सम्पूर्ण क्षेत्र का आर्थिक विकास इससे सम्भव होगा।
